OUR SERVICES INCLUDE:

- 24/7 on-site care staff
- Help with bathing, dressing, and grooming
- Medication reminders and management
- Emergency call system
- Three nutritious meals daily
- Housekeeping and laundry
- Social events and outings
- Scheduled transportation for appointments

Care plans are customized and updated regularly to ensure each resident receives the right level of support.

MEMORY CARE

Our secure memory care neighborhood is designed for residents living with Alzheimer's or other forms of dementia. Through our Along the Journey program, we focus on building trust, routine, and meaningful engagement.

OUR MEMORY CARE OFFERS:

- 24-hour staff supervision
- Personalized care plans
- Structured daily routines
- Sensory programming and memory-enhancing activities
- Peaceful, secure environment
- Consistent staffing for familiarity and trust

We partner with families to create a supportive, calm experience for every stage of memory care.

LIFE AT CELEBRATION VILLA

We offer programs that celebrate and support the whole person—mind, body, and soul.

MIND

- Brain games and discussion groups
- Guest speakers and music

BODY

- Walking clubs and chair yoga
- Seated fitness and mobility classes

SOUL

- Spiritual services and reflection
- Pet therapy and artistic expression

Whether you're planting in the garden or joining friends for a movie night, there's always something to enjoy.

Along the Journey is Priority Life Care's memory care programming. The Along the Journey program was created for our seniors with memory impairments and to develop strong relationships between families and caregivers. A successful transition involves supporting the resident in their new environment and being a resource for the family.
